## Student Scholarship – presentation opportunity

Women, Wealth & Wellness Conference | \$500

*(for event sponsors only – currently available: 4)*

The Ohio CPA Foundation aims to reach students at critical points in their education as they are making decisions about college, a degree and a future career. With programs at both the high school and college level and a student membership base of close to 10,000, the Foundation is actively making a difference to Ohio's future CPAs.

Through the support of generous donors, the Foundation granted more than \$70,000 worth of student scholarships in 2018. These scholarships are part of a comprehensive approach seeking to diversify talent in the accounting careers pipeline through continuous engagement at multiple points on a student's pathway to the profession.

The Women, Wealth & Wellness Conference on June 27, 2019 is an amazing opportunity to showcase a meaningful, professional experience to students. The Foundation has sponsored a table of eight and now want to give you the opportunity to present an ambitious, young accounting student with an impactful scholarship encouraging their studies.
