

An overhead view of a person with long brown hair, wearing a light blue sweater, sitting at a wooden desk. They are looking at a laptop and several papers with charts and graphs. On the desk, there is a black coffee cup, a small potted plant, a black printer, a black folder, and a black calculator. The person's hands are on the laptop keyboard and the papers. The background is a dark, textured wall with a grid of small holes.

TECHCRED PROGRAM SUCCESS

More than 100,000 credential earned

In addition to this milestone, Lt. Governor Husted announced the results of the May round of TechCred in which **518 employers** were awarded, providing the opportunity for Ohioans to earn **6,612 tech-focused credentials**. This round marks the most employers and credentials awarded since the program's start in 2019.

Q&A?

Ohio TechCred for CPA's

We proudly collaborate with the State of Ohio through the TechCred program to empower tech upskilling.

This initiative helps Ohio accountants upskill with cutting-edge tech and while earning CPE's.

What is the Ohio TechCred Program?

The [Ohio TechCred](#) program is a unique Ohio training reimbursement program aimed to support Ohio employers in building a stronger workforce with the skills needed in a technology-infused economy.

- **Financial Support:** Get reimbursed up to \$2,000 per credential, with a maximum of \$30,000 per employer per round, and up to \$180,000 a year.
- **Comprehensive Assistance:** We guide you through every step from application to reimbursement.
- **Upskill and Retain Talent:** Invest in your team to enhance their skills and secure Ohio's top talent.

How Does Ohio TechCred Work?

1. **Identify Skills Needs and Employees:** Determine the technical skills your employees need.
2. **Partner:** Collaborate with a credential provider like Max Technical Training.
3. **Apply Online:** Submit your application through the [Ohio TechCred website](#).
4. **Enroll Employees:** Register your employees in the chosen programs.
5. **Upload Proof of Completion:** Upload the proof once training is completed.
6. **Receive Reimbursement:** Get reimbursed up to \$2,000 per credential, with a maximum of \$30,000 per employer per round.

We Can Help You with Your TechCred Application

We are dedicated to helping Ohio employers leverage the TechCred program to its fullest potential.

- **Personalized Assistance:** Customizing the application to meet your needs.
- **Step-by-Step Guidance:** From identifying skills gaps to submitting your application.
- **Full Support:** Assisting with course selection, enrollment, and documentation.

OSCPA TechCred Resources

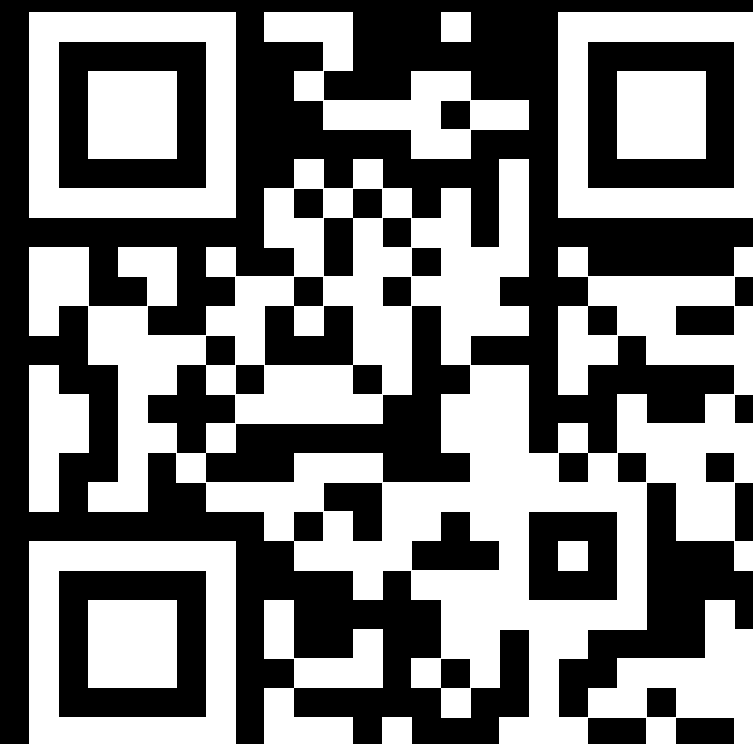

We've collected a group of useful resources to help Ohio CPA's understand the value of the Ohio TechCred program. Our mission is to influence a culture of Ohio workforce technology fluency that impacts Ohio businesses years into the future. Ohio TechCred provides impactful funding that will fuel the future Ohio workforce.
