Investing in the Future

Today's students are tomorrow's CPAs, financial business leaders, consultants and advisers who will spur Ohio's future economy. But how will they know if a career in accounting is right for them?

The Ohio CPA Foundation creates opportunities for students to get an inside look at the profession, meet CPAs and explore exciting career paths.

Your tax-deductible gift moves more students toward accounting through programs like the ACAP-Ohio summer camp, Student Ambassadors, High School Accounting Career Days and the Accounting Careers Leadership Academy.

Inspire today's students to become the CPAs of tomorrow.
